

MANUFACTURER AND EXPORTERS OF READY MADE GARMENTS

www.retronx.in

Retro NX is a garment manufacturing company that specializes in manufacturing men's and women's ready-made knitted garments. Established in 1998, Retro NX was born out of a passion for creating clothing that goes beyond the ordinary. Over the years, we've grown into a dynamic team of creative minds, fashion enthusiasts, and skilled artisans dedicated to producing clothing that makes a statement.

With over 25 years of experience, we have collaborated with numerous well-known fashion brands, including Spykar, Lawman Jeans, Kenneth Cole, Hardrock Cafe, and many more.

Over the years, we have developed a strong network of sourcing for all kinds of fabric and accessories from all over India and China.

Due to continuous expansion and up-gradation of technology since the inception of our business, our production capacity exceeds 50000 pieces per month.

We promise to deliver our customer with the highest quality of goods.

At Retro NX, we don't just make clothes; we craft fashion memories.
